

**Remarks**

This previously submitted Amendment and Supplemental Request for Reconsideration is in response to the Advisory Action mailed April 2, 2008. In the Advisory Action, the Office stated that this Amendment raised new issues and would not be entered. Applicants are re-submitting this Amendment with a Supplemental Request for Reconsideration, in accordance with discussions with the Examiner.

The previously submitted Amendment was in response to the Final Office Action dated **February 6, 2008**, wherein the Office rejected claims 1 – 4, 6 – 15, 30, and 33 – 40 under 35 U.S.C. § 103, and the Office stated that claims 41, 42, 44, and 45 contain allowable subject matter.

Applicants have canceled claims 1 – 40, and 43. Also, Applicants have amended claims 41, 42, 44, and 45 to put them in independent form. No new matter has been added.

The following comments are presented in the same order and with headings corresponding to those set forth in the Office Action.

**Claim Rejections—35 U.S.C. § 103**

The Office rejected claims 1 – 4, 6 – 15, 30, and 33 – 40 under 35 U.S.C. § 103, alleging the same to be unpatentable over U.S. Patent Application Publication No. 2002/0107560 to Richter (hereafter “Richter”) in view of U.S. Patent No. 5,591,223 to Lock et al. (hereafter “Lock”).

Without prejudice or disclaimer, Applicants have canceled claims 1 – 40, thereby mooted the rejections. Applicants reserve the right to prosecute the subject matter of claims 1 – 40 in any continuing applications.

**Allowable Subject Matter**

Applicants note with appreciation the indication by the Office that claims 41, 42, 44, and 45 contain allowable subject matter. Applicants have amended claims 41, 42, 44, and 45 to put them in independent form and in condition for allowance. No new matter has been added.

**Conclusion**

Applicants respectfully request that the Amendment be entered, which Applicants believe puts the application in condition for allowance. Favorable consideration and early action to that effect are solicited earnestly.

Should the Examiner have any questions regarding this Amendment, the Examiner is invited to contact the Applicants' undersigned representative at the telephone number listed below.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
